Sir:

Applicants respectfully request that the above-identified patent application, which was unavoidably abandoned on September 4, 2004, be revived as a pending application. The abandonment of the application was not occasioned by any fault on the part of Applicants.

On September 1, 2004 the undersigned attorney's offices were closed as a state of emergency was declared for the state of Florida due to the approach of Hurricane Frances. As a result, all Florida post offices were closed and courier services were unavailable and/or closed until after the hurricane passed. Once Hurricane Frances passed, the undersigned attorney's offices were without power and telephone service until September 13, 2004. The physical files were

unavailable to the undersigned, furthermore no technological means of response to the outstanding issues in this application were available to the undersigned.

Upon restoration of power to the undersigned attorney's offices and the return of all attorneys and staff, a proper response to the official Notice to File Missing Parts was immediately prepared and is filed herewith, along with the instant petition and associated fees and attachments as outlined below. In view of the extenuating circumstances, it is respectfully urged that the Office grant this petition.

A check in the amount of \$55.00 to cover the cost of the above Petition under 37 CFR §1.17(l) is enclosed.

Included with this Petition are the following enclosed materials:

- (1) A copy of the Notice to File Missing Parts;
- (2) a Declaration form executed by the inventors;
- (3) a Petition for Extension of Time with the appropriate fee of \$740.00 under 37 CFR §1.17(a)(4); and
- (4) a check in the amount of \$1,411.00, which covers the basic filing fee of \$385.00, the additional claim fees of \$961.00, and the surcharge of \$65.00.

Reinstatement of the above application is hereby respectfully requested.

Respectfully Submitted,

Date: 9/14/2004
